1.	<p><u>Section 3.5.1</u></p> <p>The timetable for tracking client progress is 12 months longer than the grant's duration. In the case of the contingent 1-year extension being granted, does the requirement to track client progress extend beyond that year?</p>	<p>This contract does include the right to renew. If the renewal is exercised with the vendor awarded this contract, then the client tracking will continue to be the responsibility of that vendor. If the right to renew is not exercised and a new vendor is awarded a contract, the responsibility for client tracking will be transferred to that vendor.</p>
